Dear Head

**REQUEST FOR OCCASIONAL ABSENCE FROM SCHOOL TO PARTICIPATE IN  
KARTING CHAMPIONSHIP WITHIN THE BAMBINO KART CLUB SERIES**

We are delighted to advise that Name, Year, has secured a place in the prestigious Bambino Kart Club Championship for 2018.

This represents the pinnacle of Karting in their age group, with former winners revered and followed as they progress through the higher ranks of the sport.

The 2018 Championship takes place over 9 rounds, many of which have been planned in school holidays, so as to minimise disruption and ensure continuity.

Karting has long been recognised as an 'education in life', improving skills in all areas of development and complimenting daily school learning. Many well-known names, Jenson Button, Lewis Hamilton, Christian Horner, to name but a few, have started their journey in Motorsport, Engineering and Management in this way.

As series organisers we are adamant that schooling comes first and that any absence is agreed between the School, Parent and Child.

To that end the Parent/guardian, seeks absence from School for 9 days to cover travelling and practice on the dates below?

In order to ensure agreement has been made, we require confirmation, on School Headed Notepaper to the absences as detailed above, together with a copy of a formal study/homework plan agreed by parent/guardian and school, in order to ensure the student maintains performance at the same level as their peers.

The child is unable to take part, without this letter. May we ask, that subject to granting permission the BKC receives copies of the agreed absences and the work planner, prior to first practice/test on 12 February.

Many thanks.

Yours faithfully,

Darren Beavers, Championship Co-ordinator.
